

Mohammad Shayan Kafeel

Computer Science Student | American University of Sharjah (AUS)
Student ID: b00097076 | Email: b00097076@aus.edu | GitHub: b00097076-cell

Profile

Computer Science student with experience in programming, web development, data structures, computer vision, and software engineering coursework. Interested in developing practical software solutions and working effectively in team-based projects.

Education

American University of Sharjah (AUS)

Sharjah, UAE

Bachelor of Science in Computer Science

Expected 2027

Technical Skills

Programming: Python, Java, C++, JavaScript

Web: HTML, CSS, Bootstrap

Other: Git/GitHub, SQL, Microsoft Office, teamwork and documentation

Relevant Coursework & Experience

- Software Engineering - collaborative development, Git/GitHub version control, and software project work.
- Data Structures - trees, graphs, linked lists, queues, searching, and sorting using C++.
- Web Applications - front-end development using HTML, CSS, JavaScript, and Bootstrap.
- Computer Vision - image processing and computer vision concepts using Python.
- Operating Systems - processes, system calls, memory, and operating-system fundamentals.

Additional Strengths

Team collaboration, problem solving, communication, documentation, and willingness to learn new technologies.
